**PRELIMINARY STATEMENT
 Concerning Freemasonry
 This Statement must be read
 before Signing Petition**

Having expressed a desire to become a Freemason, we presume you have thoroughly considered the step you propose to take. The exact nature of our Institution being unknown to you, we consider it advisable that you should be informed on certain points, the knowledge of which might affect your decision to apply for membership.

Freemasonry strives to teach a man the duties he owes to God, his neighbor and himself. It has for its foundation the great basic principles of the Fatherhood of God and the Brotherhood of Man, and requires a belief in the immortality of the Soul. It interferences neither with religion nor politics. Admission to the Institution must not be sought from mercenary or other unworthy motives, nor from hope of personal gain or advancement. Anyone so actuated will be disappointed, and in all friendship we warn you.

Freemasonry is not a benefit society. We do not subscribe so much a year to entitle us to draw financial relief; or to make provision for those we leave behind, or to admit us to the Masonic Retirement Center. It's charity is intended for those who, through no fault of their own, have met with misfortune.

Freemasonry has in all ages insisted that men shall come to it's door entirely of their own free-will; not as a result of solicitation; not from feelings of curiosity; but from a favorable opinion of the Institution and a desire to be ranked among it's members.

We think it is advisable to inform you that should you be admitted, it will entail certain financial obligations, which you should be able to afford without detriment to yourself or those dependent on you. In addition to the fees payable with your petition, there will be an annual subscription for the support of our Lodge, as provided by the By-Laws of that Lodge.

We trust you will consider these statements in the same spirit of honesty and friendship in which they have been presented. It is of the utmost importance to you as well as to Freemasonry, that the motives and ideals governing your daily life be in substantial accord therewith.

After reading the foregoing statement and answering all questions in the petition and signing it, detach this statement at the perforated line and retain in your possession.

What motive prompted your making this petition? _____

Have you applied for the degrees of Masonry previously? _____ If yes, state when and to what Lodge?

Are you a former member of DeMolay? _____ If yes, give particulars including offices held _____
